

## Workers' Comp Insurance Fraud Prosecution

### DESCRIPTION OF MAJOR SERVICES

The Department of Insurance, pursuant to Section 1872.83 of the California Insurance Code, distributes funds to the District Attorney's Office for the investigation and prosecution of Workers' Compensation Insurance Fraud. These assessed funds represent a percentage of the total premiums collected by workers' compensation insurance companies and are distributed to investigate and prosecute workers' compensation fraud claims or claims relating to the willful failure to secure the payment of workers' compensation. Of all money collected by the state, 56% is retained by the state for fraud investigation and 44% is distributed statewide to District Attorney offices through a grant program. This budget unit administers those funds.

Salaries and benefits of \$1,518,213 fund 11.0 positions and are increasing by \$214,454 primarily due to full year funding of new positions added last fiscal year and MOU and retirement cost increases.

Services and supplies of \$81,968 include insurance, vehicle operating costs, and training costs. The decrease of \$16,604 is a result of departmental efforts to reduce expenses and a technical change in audit payments.

Vehicles are reduced by \$80,000 to eliminate one-time costs in 2006-07.

Transfers of \$44,798 represent EHAP, lease and audit costs and are increased over last year by \$11,242 because of additional space occupied by new positions added and a technical change in audit payments.

Contingencies of \$63,475 decreased due to increased operational costs and decreased available fund balance.

Departmental revenue of \$1,457,200 is increased by \$54,782 to reflect an award being requested and interest earnings received in the current year.
